

CHANGING LIVES SHOWCASE (2022-2023 SCHOOL YEAR)

2023 MAY SHOWCASE

How to Submit Musical & Performing Arts (Vocal, DJ, Dance, or Instrumental) Video

What you will need:

- Space to perform: Living Room, Bedroom, Dining Room etc.
Important: Make sure this space is quiet, where no one can disturb your performance. Give yourself enough space to perform comfortably. 6 Feet by 6 Feet
 - No Hallways, Kitchen, or Outdoor Areas
- Camera/s: Using your phone camera is the best and easiest way to record and send in your performance.
- Camera Person: Mom, Dad, or anyone who can film your performance. Make sure they can hold the camera up for at least 5 minutes. We suggest using a tripod, if available.
- Your performance equipment: If you are a DJ, set up your DJ board in front

STEP 1

- Set up your space to perform.
- Have the videographer or camera stand at least 6 feet in front of the performer.
- Hold your phone or camera equipment horizontal.
 - Make sure the videographer captures the performer from head to toe in the footage.
- Do a test run. Record a sample performance to make sure everything looks and sounds good.
 - Review the sample video and make sure the audio works.
- Once the camera is ready and the performer is ready, move on to Step 2.

STEP 2

- Record: Videographer PRESS record.
 - Wait 5 Seconds.
- Have performer introduce themselves
 - State the following: Name, Age, and City
- Record student performance.
 - Have the camera stay in one place throughout the entire performance. Reframe from moving or jerking the camera.
- After the student performance. Have the student throw a thumbs up to end the video.
- END Recording. Make sure you are satisfied with your performance. Now it's time to send it in, move on to Step 3.

STEP 3

- Save video to camera roll or SD card.
- **Please make sure to save your video as one of the following supported file types and sizes:**
